

**WELCOME** .....

to the NEW **Tom Ridge Environmental Center (TREC)** located at the entrance to Presque Isle State Park! TREC offers first-hand experience of what you can expect to find at Presque Isle State Park with its unique history and ever changing, diverse ecosystem.

**INTERACTIVE EXHIBITS** showcasing the history of Presque Isle, its nature, animals, fish, unique sand formations, top birding migration points at Gull Point and more!

**EDUCATIONAL PROGRAMS** allow individuals or groups the opportunity to learn additional details about the ecosystem and subjects related to Presque Isle State Park. Guided park tours available.

**ORIENTATION THEATER** will give a glimpse of the fascinating things you can find at Presque Isle. (15-minute orientation film. Seats 45)

**“BIG GREEN SCREEN” THEATER** where **Bigger IS Better** and from the 4-story high, 33 foot wide screen; you will be as close to reality as you can get without being there. Put yourself in the middle of the action. Jump into the seat of a race car going 150mph...Dive into the deep blue sea.....or relax in a kayak skimming along a serene waterway. Films on the Big Green Screen will totally immerse you for forty-five (45) minutes taking you places you never imagined. Theater seats 175 people. Up to 3 film choices daily.

**SHOPPING** is unique at the “Nature Shop at Presque Isle”. Perfect for those looking for souvenirs, local artwork or specialty natural items....local pottery, beach glass jewelry, a wide selection of books for all ages, T-shirts and local souvenirs available. Artist-in-residence demonstrations\*

**OBSERVATION TOWER** tours offering a panoramic view of Lake Erie.

**GREAT EATS!** Enjoy delicious cuisine while relaxing in the Sunset Café, featuring delicious wraps, Panini’s, specialty salads, sandwiches, homemade soups and yummy desserts! The Sunset Café is the perfect place to dine in, grab a snack or take-out picnic for the beach—something for all! *Group Meal Discounts available!!*
